

SAN FRANCISCO BAY FOLKBOAT ASSOCIATION

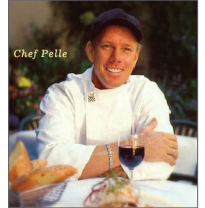

2010 Annual Awards Dinner

Saturday November 13, 2010 at **The Norwegian Club of San Francisco**
1900 Fell Street, San Francisco, CA 94117 • Free Parking at the lot on Hayes St, between Clayton & Cole

The Norwegian Club of San Francisco was founded in 1897 to celebrate the expected arrival of arctic explorer Fridtjof Nansen who was enroute to the North Pole. Nansen unfortunately missed both destinations but the Club grew and prospered nonetheless. Years later the Club was well prepared to host Roald Amundsen after his successful navigation of the Northwest Passage aboard the sloop *Gjoa*. Thor Heyerdahl was also welcomed at the Club after his transpacific expedition aboard the raft *Kon Tiki*. Now it is YOUR turn!

Arrive at 6:00 PM and celebrate your own Nordic roots (or at least the Scandinavian ancestry of the Folkboat!) with some *aquavit*, herring and traditional Scandinavian Folk Tunes performed by *Nattergal*, the little Nightingales of the North.

Dinner will be prepared under the direction of Chef Pelle Nilsson an award winning master of Scandinavian cuisine.
