## 2017 Association Dues Renewal

Spring is in the air so we are again inviting all SFBFA friends and fleet supporters as well as new Folkboat owners to celebrate San Francisco Bay's magnificent sailing by taking the plunge and joining the San Francisco Bay Folkboat Association. Or, if you are already an SFBFA member or associate member, it's time to renew your membership. Regular memberships are for Folkboat owners. Associate memberships are for crew, fleet friends and supporters. *You should include associate memberships for your crew if you plan to race a Folkboat this season*

A 2016 Roster of Folkboats, Members, Associate Members, friends and fleet supporters is included with this mailing. But if your contact information has changed, please fill in the appropriate fields in the form below. Since we will be communicating primarily by email, please check that we have your current email address.

*Please return your dues no later than April 15<sup>th</sup>.* We look forward to a memorable 2017 season!
